

CV Julian Dörenberg

Profession

02.2020 – 09.2024	IT-Manager at RWTH cBMB, RWTH Aachen University (University Hospital Aachen / Faculty 10)
08.2022 – 09.2024	Deputy General Manager at RWTH cBMB
Since 10.2024	Head of Core Facility Biobank, Medical Faculty, University Tübingen

Selected publications and presentations

Dörenberg J: Comparing Link Grammars and Dependency Grammars for parsing German histological reports. SKILL 2022. Gesellschaft für Informatik, Bonn. 2022. S. 153-163. ISBN 978-3-88579-752-4.

Dörenberg J, Lutz I, Dahl E:

Herausforderungen der Anbindung einer Biobank an ein Datenintegrationszentrum in Deutschland (Poster). Tagungsband des 10. Nationalen Biobankensymposiums. S. 35-39. ISBN 978-3-8382-1681-2. 01.06.2022

Dörenberg J, Dahl E: Digitalisierung Biobank-interner Abläufe zur Verbesserung der Datenqualität (Poster). Tagungsband des 11. Nationalen Biobankensymposiums. S. 151-154. ISBN 978-3-8382-1841-0

Dörenberg J, Martin D, Jehn T, Schwager F, Schmidt T, Scheiermann J, Zeller T, Dahl E, Helber A, Lübbecke M: Optimale Ressourcenplanung für die Probenverarbeitung in zentralisierten Biomaterialbanken (Vortrag). Tagungsband des 11. Nationale Biobankensymposiums. S. 133-138. ISBN 978-3-8382-1841-0

Dörenberg J, Schmidt CJ, Berlage T, Knüchel-Clarke R: Etablierung eines Deutschen ICCR-Datensatzes – Einbindung von SNOMED CT am Beispiel der TUR-B. Die Pathologie. 2024. DOI: 10.1007/s00292-024-01398-3

Working Group memberships

- Co-Lead of the WG Data Quality in the German Biobank Alliance since 04.2024
- Advisorship for the Faculty of Informatics and Data Science in their establishment of a Computer Science course of study at the University Regensburg, 2022 – 2023
- Member of WG Data Quality in BBMRI-ERIC since 10.2024

Awards

- Best poster award of the 10th National Biobanking Symposium, Berlin, 02.06.2022
- Certificate of acknowledgement in the prize competition in Informatics Life Sciences at the German Society of Informatics, 2023

Reviewer activities

- For the German Society on Medical Informatics, Biometrics and Epidemiology (GMDS) to their yearly congresses in 2023 and 2024
- For the society of Informatics (GI) to their students conference (SKILL) within the yearly congresses in 2023 and 2024
